

BATTLE RAGING IN EAST EUROPE

The Hungarian Bolshevik Troops Attacked the Rumanians

AFTER WITHDRAWING BEFORE CZECHS

On Orders from Peace Conference—Reports State Fighting Continues

Bucharest, Rumania, July 10.—Hungarian bolshevik troops which were withdrawn from the Czecho-Slovak front on orders from the peace conference have attacked Rumanian forces on the Theiss river, according to reports from Transylvania, which say that the fighting continues.

FIGHT PROMOTERS WILL NOT GET RICH

Profit Will Be Nominal After the Various Expenses of the Dempsey-Willard Bout Are Deducted.

Toledo, July 10.—The Toledo boxing commission, under whose auspices the Willard-Dempsey heavyweight bout was staged here on July 4, will be obliged to turn back to the promoters the sum of \$124,875, it developed to-day after government revenue men had finished checking up the figures.

According to official reckoning, the proceeds of the fight after the government tax had been deducted totalled \$410,732.16.

More than two weeks before the bout Tex Rickard, the promoter, gave the commission \$30,000 as the city's 7 per cent exacted before the permit was issued.

Frank B. Flournoy, Rickard's associate in the venture, stated to-day that the promoter's profit will be nominal when other expenses are figured out.

ECZEMA ON LIMBS CUTICURA HEALS

Formed Watery Blisters, Sore, Red and Swollen, Itched and Burned.

"I had eczema on both limbs and it kept working until it got up to my hips. It then broke out in a kind of rash and at last it seemed to form watery blisters. The skin was sore and red, and my limbs were swollen. The breaking out itched and burned."

"The trouble lasted about three months before I tried Cuticura. They afforded relief in two or three days and in two weeks I was healed."

(Signed) Miss Yelneck, 36 Belmont St., Somerville, Mass., Aug. 3, 1915.

Having obtained a clear, healthy skin by the use of Cuticura, keep it clear by using the Soap for all toilet purposes, assisted by touches of Ointment as needed.

EBERT SIGNS RATIFYING BILL

President of Germany Affixed His Signature at 8 O'clock Last Night

FOLLOWING PASSAGE BY THE ASSEMBLY

The Document Has Been Dispatched to Versailles

Berlin, Wednesday, July 9 (By the Associated Press).—President Ebert signed the bill ratifying the peace treaty at 8 o'clock to-night, according to the Vorwarts, and the document has been dispatched to Versailles.

Official Notification of Ratification.

Versailles, July 10.—Official notification of the ratification of the peace treaty by the German national assembly was given the peace conference this morning.

The notification was presented by Baron Kurt Von Lersner, head of the German peace mission here. Colonel Henry, the French liaison officer at Versailles, was the recipient. The hour was 11 a. m.

Colonel Henry immediately conveyed the notification to the French foreign office.

RATIFICATION WAS SWIFT.

German National Assembly Showed Desire to Get the Job Done.

Weimar, July 10 (By the Associated Press).—The German national assembly very plainly demonstrated yesterday that it wanted to complete the unpleasant task of ratifying the treaty quickly and without obscuring the measure in any way with qualifying resolutions.

At the opening of the session, the conservatives introduced a resolution which would make ratification dependent upon the judgment of recognized authorities on international law as to the proposed international court and with retro-

active jurisdiction and authority to impose penalties which have not heretofore been prescribed in international law. The resolution was aimed at the enforcement of articles 227 to 230, inclusive, of the peace treaty. (Providing for the trial of the former emperor and Germans accused of causing the war or of violation of the rules of war.)

It also provides for the establishment of a neutral court to pass upon the question of responsibility for the conflict. The bill ratifying the treaty passed the first reading and then a recess was taken to give the parties an opportunity to discuss the resolution. After 15 minutes the assembly reconvened and Dr. Schiffer, national liberal leader and former minister of finance, stated that he regretted the introduction of the resolution, as it would only serve to confuse the situation. A clerical speaker said the time for reservation was passed. The conservatives defended the resolution, but it was decisively beaten.

The treaty bill was then taken up and quickly passed second and third readings, with the opposition coming from democratic and social democrats and conservatives. Dr. Dernberg, former minister of finance, Frederick Von Payer, former vice chancellor, and a few other democrats, voted for ratification.

WARNER'S PLEA FOR STAY IS DENIED

Two Judges Decide That Alleged Newly Discovered Evidence Is Not Sufficient Force to Justify the Presentation of Petition to Supreme Court.

Chief Justice John H. Watson and Associate Justice G. M. Powers denied George E. Warner's request for a stay of the execution which takes place this week by signing the following order Wednesday afternoon after they had reviewed the arguments presented by J. C. Jones for Warner and F. C. Archibald for the state:

"The petition for a new trial being presented to the undersigned two justices of the supreme court under the provisions of section 2635 of the general laws and the question of allowing the same to be filed being heard with arguments of counsel on July 9, 1919, upon consideration thereof, it is determined that the alleged newly discovered evidence is not of sufficient force to justify the presentation of the petition to the supreme court for hearing thereon; and, therefore, the said petition is not allowed to be filed."

"Certified as Montpelier this 9th day of July, A. D. 1919."

"John H. Watson, Chief Justice," "George M. Powers, Associate Justice."

The justices shortly before 11 o'clock Wednesday morning commenced their consideration of the arguments and petition presented by Mr. Jones. They worked through the rest of the morning and during the early part of the afternoon.

Whether any further effort will be made by Mr. Jones, accompanied by Lawrence Jones, his son, left shortly after the hearing for their home, Judge F. L. Fish riding as far as Burlington with them.

In arguing his request for a stay, Mr. Jones said that these steps were being taken so that the respondent's mother might be assured that every effort possible had been made to help the respondent and that the supreme court might have a chance to review the newly discovered evidence.
